FROM DIRT TO...GREENS

The making of Ambience Greens

Ambience Greens was a barren land and was transformed into a 9 hole par 3 golf course in 4 years. Designed by Nelson & Haworth and built by Surjit S Dugal, Ambience Greens is not only a welcome change in the scenery for this part of town, but it is also an eco-friendly course which complements the seven star golf view living in Cairtriona Apartments.

Site clearance and start up

Drainage, sand capping and pump house excavation

Work in progress – lake lining, capping of tees, greens, light mast erection

GOLF TRIVIA

- Golf was invented in Scotland over 500 years ago, however the Chinese claim to have developed a similar game as early as 943 A.D.
- Golf is the only sport to have been played on the moon! On February 6, 1971, Alan Shepard hit two golf balls while on the lunar surface.
- Five-time world long drive champion Jason Zuback (Canada) can drive a golf ball an incredible 468 yards. He also holds the record for the fastest ever golf drive at 204 miles per hour!
- Not all golf balls have the same number of dimples. Golf balls have anywhere from 330 to 500 dimples depending on which company designs the ball. The ideal ball will usually have between 380 and 432 dimples.
- Many Japanese golfers carry an “hole-in-one” insurance. In Japan if you hit a hole-in-one it is customary to share your good luck by throwing a party complete with gifts for all your friends.

HOLE-IN-ONE COOKING CLASSES...

Your single monthly engagement to master cuisines from around the world

At The Leela Ambience Gurgaon, we don't just create great meals we also teach our guests how they can prepare them at their home too. Welcome to our cooking classes with our most talented chefs! Here, at every cooking class you can learn something new and exciting that will make cooking at home a rewarding and delightful experience. To see our listings for this year's cooking classes, don't forget to check our in-house magazine.

Just in case that you have a few friends who do not play golf, we will keep them entertained with our cooking classes. Or just enjoy and learn something new after nine holes of golf and have an excuse after cooking up a storm at home for your next round of golf!

They're made for you... A Great Way to learn something new!

THE LEELA MASTER CLASSES...

There's always something new to learn

Wine, Whiskey and Cigars are some of our most luxurious indulgences. These are often sophisticated topics intermingled in history, culture and geography. Fortunately, we have an authority on these topics. Meet Magandeep Singh – India's first French certified sommelier. What's new in his novel master class format is that first he will begin in a classroom setting to tell you about the cultivation of grapes and the process of wine making, followed by a tasting and delicious snacks with each wine, Whiskey or cigar. Join our master class and learn something new.

End a round of golf followed by tasting amazing wines, Whiskies or cigars.
